

## **NEW 19' SEINE SKIFF FOR CORDOVA**

Rozema Boat Works recently delivered its first console forward seine skiff for Cordova fisherman, Swen Gildnes. The 19' skiff is our mid size, hybrid model falling between the 20' & 18' designs, and is available with either a steerable nozzle or water jet propulsion.

It is completely customized on the inside with a custom forward console with integrated electronics and a hydraulically activated Sea Catch release on a tow post mounted swivel.

*Building high quality seine skiffs Since 1955*
